

INVEST IN YOUR COMMUNITY

CHANGE YOUR COMMUNITY

At the y, no child, family or adult is turned away. We recognize that for communities to succeed, everyone must be given the opportunity to be healthy, confident, connected and secure.

We rely on the generosity of our community to ensure that every individual regardless of age, income or background, has access to the essentials needed to learn, grow and thrive. We believe that lasting personal and social change can only come about when we all work together to invest in our kids, our health and our neighbors.

Your support helps us offer programs in youth development, healthy living and social responsibility for individuals and families in Monroe county.
